

PLEASE PARDON OUR DUST!

We will be media blasting @ address:

from _____ to _____.

We will do our best to contain any dust and debris caused from our construction work. We ask that you close any adjacent windows and move the cars away from the surrounding property if at all possible. Please bring to our attention if any cleaning is needed on your property as a result of our work and we will be happy to accommodate.

All of our blasting abrasive is CARB approved for exterior use and contains no free silica. Furthermore, it is environmentally inert and will not cause any harm to any surface or vegetation.

Thank you for your patience and if you have any questions please our office at 714.34.CLEAN | 714.342.5326
